- Supervises construction of stream restoration projects and attend all project meetings.
- Cooperates with involved local, regional, state and federal government agencies on projects and permits.
- Edits technical sections of watershed wide management plans evaluating data collection techniques, quality assurance and quality control methodologies.
- Inspects the work of consultants and contractors.
- Prepares or directs the preparation of complex project designs, proposals, specifications, estimates and contract proposals for water quality related projects.
- Maintains engineering files including the proper organizing, authorizing and archiving of those files.
- Oversees contractor construction activities to ensure conformity to contract requirements including the quality of construction in adherence to predetermined schedules.
- Attends, participates in and/or conducts public meetings.
- Attend site visits with other staff prior to design implementation.

KNOWLEDGE, SKILLS, ABILITY AND PERSONAL CHARACTERISTICS:

- Through knowledge of the principles, practices, theories, and procedures of environmental, water resource and/or civil engineering, applicable to a Municipal or Soil and Water Conservation District setting.
- Thorough knowledge of geomorphic principles and practices.
- Ability to use hydrologic and hydraulic modeling software such as TR-55, TR-20, Streamstats, HY8, HEC-RAS and others that may apply to project design.
- Ability to utilize design and mapping software such as AutoCAD Civil 3d, Revit, and ArcGIS.
- Knowledge of local geography and ability to recognize different hydrologic regions and properties.
- Knowledge of grant application procedures and potential funding sources.
- Thorough knowledge of construction materials, methods, standards (NYSDOT, NRCS), and tests.
- Thorough knowledge of applicable codes, laws, rules, regulations, and policies governing and impacting on design and construction, applicable to a water resource setting.
- Skill in preparing, in final form, complex plans, designs, specifications, reports, contracts and narrative technical material.
- Skill in planning, scheduling, coordinating, and evaluating design, construction and maintenance programs.
- Ability to manage others well and delegate authority to skilled staff for larger projects.
- Ability to train other staff in methods of stream survey and data collection to produce desired results for designs.
- Ability to establish cooperative relationships with subordinates, public officials, staff, and representatives of contractors, consultants, and the public.
- Ability to communicate (verbal or written) detailed instructions to contractors, staff, project managers, landowners and the public.
- Ability to evaluate complicated proposals and designs and select the most practical plan of work accomplishment.
- Ability to establish project and work priorities.

CROSS-FILING - APPLYING FOR CIVIL SERVICE EXAMINATIONS IN MULTIPLE JURISDICTIONS WHEN EXAMINATIONS ARE SCHEDULED ON THE SAME DATE: When applying for examinations across multiple jurisdictions - all of which are scheduled on the same day - you must submit a Tompkins County Cross-Filing Form. This form must be submitted no later than 4:30 PM on the final filing date of the examination. On this form, list each examination that you are taking and then tell us where you would like to sit. The purpose is to ensure that all of the test materials for the various examinations that you are taking will be available in one location. If you do not provide the cross-filing form to us by the final filing date, we cannot ensure that we can accommodate your desire to cross-file. If any of the examinations are State level examinations, you must sit at the State test center. You will still need to complete the Tompkins County cross-filing form. If sitting at the State site, the State will notify you of when and where to report for your examination(s) and you should bring all admittance letters to the State site. If you are not taking a State examination, bring all admittance letters to your chosen testing site. If you have any question please call Tompkins County Department of Human Resources Department (607) 274-5526. The Cross File form is located at <http://www.tompkins-co.org/personnel/CivilSrvForms/index.html>

FOR RELIGIOUS ACCOMMODATION AND HANDICAPPED PERSONS: If special arrangements for testing are required, please indicate this on your application.

ALL CANDIDATES FOR EMPLOYMENT FOR POSITIONS IN SCHOOL DISTRICTS AND BOCES GOVERNED BY TOMPKINS COUNTY CIVIL SERVICE MAY HAVE THE FOLLOWING SPECIAL REQUIREMENT. PER CHAPTER 180 OF THE LAWS OF 2000, AND BY REGULATIONS OF THE COMMISSIONER OF EDUCATION, TO BE EMPLOYED IN A POSITION DESIGNATED BY A SCHOOL DISTRICT OR BOCES AS INVOLVING DIRECT CONTACT WITH STUDENTS, A CLEARANCE FOR EMPLOYMENT FROM THE STATE EDUCATION DEPARTMENT IS REQUIRED.

In conformance with Section 85-a of the Civil Service Law, children of firefighters and police officers killed in the line of duties shall be entitled to receive an additional ten points in a competitive examination for original appointment in the same municipality in which his or her parent has served. If you are qualified to participate in this examination and are a child of firefighter or police officer killed in the line of duties in this municipality, please inform this office of this matter when you submit your application for examination. A candidate claiming such credit has a minimum of two months from the application deadline to provide the necessary documentation to verify additional credit eligibility. However, no credit may be added after the eligible list has been established.â-

BACKGROUND INVESTIGATION: Applicants may be required to undergo a State and national criminal history background investigation, which will include a fingerprint check, to determine suitability for appointment. Failure to meet the standards for the background investigation may result in disqualification.
